

Haider Nayab

Head Boy

Batch 2015-16

Head Boy of our first graduating batch, Haider Nayab will always be remembered fondly at TNS. His CAS activities were ones to watch, from organizing the "Peace Football Tournament" to managing our wildly successful school play Matilda. Haider is now pursuing a degree in Business Administration at Coventry University in the UK. With the highest score in his year at university, there is no doubt that Haider is someone to look up to.
