## Head Boy

Batch 2017-18

Our Head Boy, Abdul Moiz has made us all at TNS extremely proud with his outstanding result of 38 points. Congratulations to Moiz, his parents and teachers on this ground breaking achievement. With an **A** grade in his Theory of Knowledge and 3 “bonus points” , Moiz’s core component of the Diploma Programme puts him against the top 7% of students in the world. Moiz has secured a firm offer of admission from the University of California, Berkeley. *Well Done!*
